LETTER FROM THE BOARD

GENERAL MANDATE TO REPURCHASE SHARES

At the AGM, an ordinary resolution will be proposed to grant to the Directors a general and unconditional mandate to exercise all powers of the Company to repurchase issued shares in the share capital of the Company subject to the criteria set out in this circular. In particular, Shareholders should note that the maximum number of shares that may be repurchased pursuant to the Repurchase Mandate will be such number which represents 10% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing of the resolution subject to the Listing Rules. The Repurchase Mandate will end on the earliest of the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by the Companies Law or the Articles, or the date upon which such authority is revoked or varied by ordinary resolution of the Company in general meeting.

In accordance with the Listing Rules, the Company is required to send to the Shareholders an explanatory statement, which is set out in Appendix I to this circular.

GENERAL MANDATE TO ISSUE SHARES

At the AGM, an ordinary resolution will be proposed to grant to the Directors a general and unconditional mandate to allot, issue and deal with further shares representing up to 20% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing of the resolution.

As at the Latest Practicable Date, the number of Shares in issue was 429,168,308. Subject to the passing of the resolution in relation to the General Mandate and on the basis that no further Shares are issued or repurchased by the Company prior to the AGM, the Company would be allowed under the General Mandate to allot a maximum of 85,833,661 Shares, representing 20% of the issued share capital of the Company. The General Mandate will end on the earliest of the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by the Companies Law or the Articles, or the date upon which such authority is revoked or varied by ordinary resolution of the Company in general meeting.

Subject to the passing of the aforesaid ordinary resolutions of the Repurchase Mandate and the General Mandate, an ordinary resolution will also be proposed to authorise the Directors to issue new shares in the share capital of the Company in an amount not exceeding the aggregate nominal amount of the shares in the capital of the Company purchased pursuant to the Repurchase Mandate.

RE-ELECTION OF DIRECTORS

Details of the retiring directors who are proposed to be re-elected at the AGM pursuant to Article 112 of the Articles are provided in Appendix II to this circular.

LETTER FROM THE BOARD

ANNUAL GENERAL MEETING

A notice of the AGM is set out in Appendix III to this circular. At the AGM, resolutions will be proposed to approve the Repurchase Mandate, the General Mandate and the Re-election of Directors.

VOTING BY POLL

Pursuant to Article 76 of the Articles, at any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless (before or on the declaration of the result of the show of hands or on the withdrawal of any other demand for a poll) a poll is duly demanded or unless a poll is required under the Listing Rules as amended from time to time. On 28th November 2008, the Stock Exchange amended the Listing Rules to make voting by poll mandatory on all resolutions at general meetings of listed issuers. Therefore, resolutions of the AGM shall be decided by voting by poll.

RECOMMENDATION

The Directors are of opinion that the granting of the Repurchase Mandate, the General Mandate and the Re-election of Directors as proposed therein are in the best interests of the Company and accordingly recommend all the Shareholders to vote in favour of the ordinary resolutions to be proposed at the AGM.

RESPONSIBILITY STATEMENT

This circular includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Group. The Directors collectively and individually accept full responsibility for the accuracy of the information contained in this circular and confirm, having made all reasonable enquiries, that to the best of their knowledge and belief, there are no other facts the omission of which would make any statement contained herein misleading.

By order of the Board
CNNC International Limited
Qiu Jiangan
Chairman

This Appendix contains the particulars that are required by the Listing Rules to be included in an explanatory statement to enable the Shareholders to make an informed decision on whether to vote for or against the resolutions to be proposed at the AGM in relation to the Repurchase Mandate.

1. PROPOSED SHARE REPURCHASE MANDATE

It is proposed that the Directors may exercise the powers of the Company to repurchase up to 10% of the Shares in issue as at the date of passing of the resolution to approve the granting to the Directors the Repurchase Mandate. At the Latest Practicable Date, the number of Shares in issue was 429,168,308 shares. Accordingly, the exercise of the Repurchase Mandate in full (being the repurchase of 10% of the Shares in issue as at the date of the passing of the resolution to approve the Repurchase Mandate) would enable the Company to repurchase 42,916,830 shares (assuming no Share is issued or repurchased after the Latest Practicable Date and up to the passing of the relevant resolution).

2. REASONS FOR REPURCHASES

The Directors believe that the Repurchase Mandate is in the best interests of the Company and its Shareholders. Whilst it is not possible to anticipate in advance any specific circumstance in which the Directors might think it appropriate to repurchase Shares, they believe that an ability to do so would give the Company additional flexibility that would be beneficial to the Company and the Shareholders as such repurchases may, depending on market conditions and funding arrangements at that time, lead to an enhancement of the net asset value per Share and/or earnings per Share. Shareholders can be assured that the Directors would only make such purchases in circumstances where they consider them to be in the best interests of the Company.

3. FUNDING OF REPURCHASES

In making repurchases, the Company proposes to apply funds legally available for such purpose in accordance with its memorandum and articles of association, the Listing Rules and the Companies Law. Under the Companies Law, share repurchases by the Company may only be paid out of profits or out of the proceeds of a fresh issue of Shares made for the purpose, or, if so authorised by its memorandum and articles of association and subject to the Companies Law, out of capital. Any premium payable on share repurchases may only be paid out of profits of the Company or out of the Company's share premium account, or, if so authorised by its memorandum and articles of association and subject to the Companies Law, out of capital. In accordance with the Companies Law, the shares so repurchased would remain part of the authorized but unissued share capital of the Company.

4. IMPACT OF REPURCHASE

On the basis of the consolidated financial position of the Company as at 31st December, 2010 (being the date to which the latest published audited financial statements of the Company have been made up) and in particular the working capital position of the

Company at that time and the number of Shares now in issue, the Directors consider that there might be a material adverse impact on the working capital position and the gearing position of the Company in the event that purchases of all the Shares were to be carried out in full during the Repurchase Mandate period. No repurchase would be made by the Company in circumstances that would have a material adverse impact on the working capital position or gearing position of the Company (as compared with the position disclosed in the latest published audited financial statements).

5. PRICE OF SHARES

The highest and lowest prices at which the Shares have traded on the Stock Exchange during each of the previous thirteen months up to the Latest Practicable Date were as follows:

	Share Price	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2010		
April	8.170	6.710
May	7.430	6.300
June	7.400	6.550
July	7.100	6.400
August	6.800	5.680
September	6.500	5.700
October	7.900	5.790
November	9.550	6.900
December	9.440	8.250
2011		
January	8.690	6.500
February	7.270	5.650
March	6.500	4.740
April (up to the Latest Practicable Date)	5.500	4.980

6. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules, the memorandum of association and articles of association of the Company and the Companies Law.

None of the Directors nor, to the best of their knowledge and belief having made all reasonable enquiries, any of their associates has any present intention to sell any Shares to the Company or its subsidiaries in the event that the Repurchase Mandate is approved by the Shareholders.

As at the Latest Practicable Date, no connected person of the Company (as defined in the Listing Rules) has notified the Company that he/she has a present intention to sell his/her Shares to the Company or its subsidiaries, nor has he/she undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

7. TAKEOVERS CODE

If on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a shareholder's proportionate interest in the voting rights of the Company increases. Such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a shareholder or group of shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, the following Shareholder had interests representing 5% or more of the then issued share capital of the Company:

Name	No. of Shares held	Approximately % of total issued Shares
CNNC Overseas Uranium Holding Limited	266,372,273	62.07%

On the basis of the current shareholding of the Company, an exercise of the Repurchase Mandate in full will result in the increase of the shareholding of CNNC Overseas Uranium Holding Limited to approximately 68.96%. CNNC Overseas Uranium Holding Limited and its respective associates as acting in concert would not be obliged to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors have no intention to exercise the Repurchase Mandate on the Stock Exchange to such extent that would result in the amount of shares held by the public being reduced to less than such prescribed minimum percentage under the Listing Rules.

8. SHARE REPURCHASES MADE BY THE COMPANY

No repurchases of Shares have been made by the Company during the previous six months preceding the Latest Practicable Date, whether on the Stock Exchange or otherwise.

As referred to in item 2 of the notice of AGM, Mr. Qiu Jiangang, Mr. Chen Xinyang and Mr. Cui Ligu (whose biographical details are set out below) will retire in accordance with Article 112. All retiring Directors, being eligible, offer themselves for re-election at the AGM.
