To the Shareholders

Dear Sir or Madam,

**GENERAL MANDATES TO REPURCHASE AND ISSUE SHARES,
PROPOSED RE-ELECTION OF DIRECTORS AND
NOTICE OF ANNUAL GENERAL MEETING**

INTRODUCTION

The purpose of this circular is to give you information regarding the following resolutions to be proposed at the AGM to enable the Shareholders to make an informed decision on whether to vote for or against the resolutions.

LETTER FROM THE BOARD

The resolutions include (i) the grant of the Repurchase Mandate; (ii) the grant of the General Mandate in respect of the Company's own fully paid up Shares; and (iii) the re-election of directors.

REPURCHASE MANDATE TO REPURCHASE SHARES

At the AGM, an ordinary resolution will be proposed to grant to the Directors a general and unconditional mandate to exercise all powers of the Company to repurchase issued shares in the share capital of the Company subject to the criteria set out in this circular. In particular, Shareholders should note that the maximum number of Shares that may be repurchased pursuant to the Repurchase Mandate will be such number which represents 10% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing of the resolution subject to the Listing Rules. The Repurchase Mandate will end on the earliest of the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by the Companies Law or the Articles, or the date upon which such authority is revoked or varied by ordinary resolution of the Company in general meeting.

In accordance with the Listing Rules, the Company is required to send to the Shareholders an explanatory statement, which is set out in Appendix I to this circular.

GENERAL MANDATE TO ISSUE SHARES

At the AGM, an ordinary resolution will be proposed to grant to the Directors a general and unconditional mandate to allot, issue and deal with further shares representing up to 20% of the aggregate nominal amount of the issued share capital of the Company as at the date of the passing of the resolution.

As at the Latest Practicable Date, the number of Shares in issue was 489,168,308. Subject to the passing of the resolution in relation to the General Mandate and on the basis that no further Shares are issued or repurchased by the Company prior to the AGM, the Company would be allowed under the General Mandate to allot a maximum of 97,833,661 Shares, representing 20% of the issued share capital of the Company. The General Mandate will end on the earliest of the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by the Companies Law or the Articles, or the date upon which such authority is revoked or varied by ordinary resolution of the Company in general meeting.

Subject to the passing of the aforesaid ordinary resolutions of the Repurchase Mandate and the General Mandate, an ordinary resolution will also be proposed to authorise the Directors to issue new Shares in the share capital of the Company in an amount not exceeding the aggregate nominal amount of the Shares in the capital of the Company purchased pursuant to the Repurchase Mandate.

LETTER FROM THE BOARD

RE-ELECTION OF DIRECTORS

In accordance with Article 95 and Article 112 of the Articles, Mr. Zhong Jie, Mr. Zhang Yi, Mr. Wu Ge, Mr. Cui Liguu and Mr. Chan Yee Hoi will retire from the office of directors at the AGM and being eligible, they will offer themselves for re-election at the AGM. The re-election of directors under resolutions nos. 2 to 6 of the AGM Notice will be individually voted on by Shareholders. Details of the retiring directors who are proposed to be re-elected at the AGM are set out in Appendix II to this circular.

Pursuant to Code A.4.3 of the Corporate Governance Code in Appendix 14 of the Listing Rules, (a) serving the Company for more than nine years could be relevant to the determination of a non-executive director's independence; and (b) if an independent non-executive director serves more than nine years, his further appointment should be subject to a separate resolution to be approved by Shareholders.

Mr. Cui Liguu, being Independent Non-executive Director, has made annual confirmation of independence pursuant to Rule 3.13 of the Listing Rules. If Mr. Cui is re-elected, he will have served as Independent Non-executive Director of the Company for more than 9 years. During his years of appointment, Mr. Cui has not been involved in the daily management of the Company nor in any relationships or circumstances which would impair his independent judgment. He has consistently demonstrated his abilities to provide independent, balanced and objective advice and insight on the Company's affairs. Notwithstanding his years of service as Independent Non-executive Director of the Company, the Board is of the view that Mr. Cui is able to continue to fulfill his role as required and thus recommends him for re-election at the AGM. Further, the Company is of the view that Mr. Cui meets the independence guidelines set out in Rule 3.13 of the Listing Rules and is independent in accordance with the terms of the guidelines.

ANNUAL GENERAL MEETING

A notice of the AGM is set out in Appendix III to this circular. At the AGM, ordinary resolutions will be proposed including to approve the Repurchase Mandate, the General Mandate and the re-election of Directors.

In view of the ongoing Novel Coronavirus (COVID-19) pandemic and recent requirements for prevention and control of its spread by the government of Hong Kong, the Company strongly recommends Shareholders to exercise their voting rights by appointing the Chairman of the AGM as their proxy to vote on the relevant resolutions at the Annual General Meeting as an alternative to attending the AGM in person.

VOTING BY POLL

Pursuant to Article 76 of the Articles, at any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless (before or on the declaration of the result of the show of hands or on the withdrawal of any other demand for a poll) a poll is duly demanded or unless a poll is required under the Listing Rules as amended from

LETTER FROM THE BOARD

time to time. On 28th November, 2008, the Stock Exchange amended the Listing Rules to make voting by poll mandatory on all resolutions at general meetings of listed issuers. Therefore, resolutions of the AGM shall be decided by voting by poll.

RECOMMENDATION

The Directors are of opinion that the granting of the Repurchase Mandate, the General Mandate and the re-election of Directors as proposed therein are in the best interests of the Company and accordingly recommend all the Shareholders to vote in favour of the ordinary resolutions to be proposed at the AGM. As at the Latest Practicable Date, no Shareholder is required to abstain from voting under the Listing Rules in respect of any of the resolutions to be proposed at the AGM.

This circular includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Group. The Directors collectively and individually accept full responsibility for the accuracy of the information contained in this circular and confirm, having made all reasonable enquiries, that to the best of their knowledge and belief, there are no other facts the omission of which would make any statement contained herein misleading.

APPENDIX I EXPLANATORY STATEMENT FOR THE REPURCHASE MANDATE

This Appendix contains the particulars that are required by the Listing Rules to be included in an explanatory statement to enable the Shareholders to make an informed decision on whether to vote for or against the resolutions to be proposed at the AGM in relation to the Repurchase Mandate.

1. PROPOSED SHARE REPURCHASE MANDATE

It is proposed that the Directors may exercise the powers of the Company to repurchase up to 10% of the Shares in issue as at the date of passing of the resolution to approve the granting to the Directors the Repurchase Mandate. At the Latest Practicable Date, the number of Shares in issue was 489,168,308 shares. Accordingly, the exercise of the Repurchase Mandate in full (being the repurchase of 10% of the Shares in issue as at the date of the passing of the resolution to approve the Repurchase Mandate) would enable the Company to repurchase 48,916,830 shares (assuming no Share is issued or repurchased after the Latest Practicable Date and up to the passing of the relevant resolution).

2. REASONS FOR REPURCHASES

The Directors believe that the Repurchase Mandate is in the best interests of the Company and its Shareholders. Whilst it is not possible to anticipate in advance any specific circumstance in which the Directors might think it appropriate to repurchase Shares, they believe that an ability to do so would give the Company additional flexibility that would be beneficial to the Company and the Shareholders as such repurchases may, depending on market conditions and funding arrangements at that time, lead to an enhancement of the net asset value per Share and/or earnings per Share. Shareholders can be assured that the Directors would only make such purchases in circumstances where they consider them to be in the best interests of the Company.

3. FUNDING OF REPURCHASES

In making repurchases, the Company proposes to apply funds legally available for such purpose in accordance with its memorandum and articles of association, the Listing Rules and the Companies Law. Under the Companies Law, share repurchases by the Company may only be paid out of profits or out of the proceeds of a fresh issue of Shares made for the purpose, or, if so authorised by the Articles and subject to the Companies Law, out of capital. Any premium payable on share repurchases may only be paid out of profits of the Company or out of the Company's share premium account, or, if so authorised by the Articles and subject to the Companies Law, out of capital. In accordance with the Companies Law, the shares so repurchased would remain part of the authorized but unissued share capital of the Company.

4. IMPACT OF REPURCHASE

On the basis of the consolidated financial position of the Company as at 31st December, 2019 (being the date to which the latest published audited financial statements of the Company have been made up) and in particular the working capital position of the Company at that time and the number of Shares now in issue, the Directors consider that there might be a material adverse impact on the working capital position and the gearing position of the Company in the event that purchases of all the Shares were to be carried out in full during the Repurchase Mandate period. No repurchase would be made by the Company in circumstances that would have a material adverse impact on the working capital position or gearing position of the Company (as compared with the position disclosed in the latest published audited financial statements).

5. PRICE OF SHARES

The highest and lowest prices at which the Shares have traded on the Stock Exchange during each of the previous thirteen months up to the Latest Practicable Date were as follows:

	Share Price

2019		
April	3.09	2.81
May	2.94	2.60
June	2.96	2.60

APPENDIX I EXPLANATORY STATEMENT FOR THE REPURCHASE MANDATE

6. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules, the Articles of the Company and the Companies Law.

None of the Directors nor, to the best of their knowledge and belief having made all reasonable enquiries, any of their associates has any present intention to sell any Shares to the Company or its subsidiaries in the event that the Repurchase Mandate is approved by the Shareholders.

As at the Latest Practicable Date, no connected person of the Company (as defined in the Listing Rules) has notified the Company that he/she has a present intention to sell his/her Shares to the Company or its subsidiaries, nor has he/she undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

7. TAKEOVERS CODE

If on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, the following Shareholder had interests representing 5% or more of the then issued share capital of the Company:

Name	No. of Shares held Approximately	% of total issued Shares
CNNC Overseas Uranium Holding Limited	326,372,273	66.72%

On the basis of the current shareholding of the Company, an exercise of the Repurchase Mandate in full will result in the increase of the shareholding of CNNC Overseas Uranium Holding Limited to approximately 74.13%. CNNC Overseas Uranium Holding Limited and its respective associates as acting in concert would not be obliged to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors have no intention to exercise the Repurchase Mandate on the Stock Exchange to such extent that would trigger a mandatory offer under Rule 26 of the Takeovers Code or would result in the amount of shares held by the public being reduced to less than such prescribed minimum percentage under the Listing Rules.

8. SHARE REPURCHASES MADE BY THE COMPANY

No repurchases of Shares have been made by the Company during the previous six months preceding the Latest Practicable Date, whether on the Stock Exchange or otherwise.
